**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 20 You shall reside in a residential reentry center for a period of up to 180 days. This placement may include a pre-release component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of the facility. You shall remain at the facility until discharged by the Court.

**CAUSE**

Mr. Green failed to report for urinalysis testing on September 29, 2006, October 20, 2006, and November 28, 2006. He further submitted a urine specimen that was confirmed positive for cocaine on November 8, 2006. It is apparent that he continues to struggle with his addiction to cocaine. Attempts have been made to have Mr. Green placed into an inpatient treatment facility. Specifically, Mr. Green attempted to secure inpatient treatment placement through the Spokane Tribe of Indians. However, he failed to follow through with an appointment to complete this process. Additionally, the undersigned officer referred Mr. Green to Community Detox Services of Spokane, which Mr. Green followed through with on November 29, 2006. However, they did not have bed space available for him at that time. He was to follow-up with Community Detox Services on November 30, 2006, but has failed to maintain contact with the undersigned officer regarding this matter. Subsequently, the above modification is being requested at this time to facilitate Mr. Green's placement in a clean and sober environment where further attempts can be made to have him placed in an inpatient treatment program or at the very least, an intensive outpatient treatment program. The undersigned officer's intention for Mr. Green's placement at a residential reentry center were to have him placed there following completion of inpatient treatment. However, given the defendant's current on going non compliance, it appears appropriate to intervene as soon as possible.
